SIR SUBJECT - Expenditure in connection with Census 1951

I write to say that a meeting of the Divisional Census Officers and the Charge Superintendents was held on the 21st March 1951 to revaew the Population figures relating to each area in connection with the last Census and an expenditure amounting to Rs 38/10/- was incurred towards supply of lunch at that meeting This expenditure was inevitable as the meeting went on till late in the evening and the Officers being tired had to be supplied with light refreshments I also thought that this would be a simply amenity which I could give them who did such streneous and good work during census As the Government's Notification No 5212/Census 4-50-2, dated the 21st June 1950 does not convey approval for incurring expenditure on account of contingent and lunch charges, and also as this a special nature of expenditure not authorised in the Bangalore Corporation Act to be met from the Corporation funds, I request that necessary sanction may kindly be accorded to the above expenditure as early as possible A copy of the Auditor's objection No 88/C A 51-52, dated the 24/25th May 1951 is enclosed

Yours faithfully,

COMMISSIONER

SIR, SUBJECT - EXPENDITURE IN CONNECTION WITH CENSUS

I write to invite a reference to your letter No 74748/Census, dated the 4th July 1951, and to say that, as directed there, the matter was placed before the Corporation at the meeting held on the 5th October 1951 and the following resolution was passed at that meeting
